Dear Mr. Dabelstein,

It gives me greatpleasure to verify your listening report for our station. You did receive and correctly log WKNC-FM on the evening of June 29, 1987, and your description of the reception corresponds to our programming.

I am also happy to inform you that of all reception reports we have received here in the past few years that are on file, your reception by far was the farthest, with the farthest report used to being from Baltimore, Md.

I would also like to apologize for taking so long in returning this letter.

Sincerely yours,

Darin A. Pope
